

Enfield NEU News

January 2019

Thousands have voted already – are you one of them?

We need you all to vote in NEU indicative ballot

Tens of thousands of NEU members across the country have already voted in the online indicative ballot on pay and funding.

35% of London NEU members have voted. BUT if we do not reach 50% by Friday 18th January then the campaign will fail.

If you have not yet voted, we strongly urge you to support your colleagues who have voted, support our children’s future, support this campaign. VOTE [short video on how to find the ballot email and vote](#)

We must put pressure on the government to fund schools properly and to implement the pay recommendations of the School Teacher Pay Review Body (STRB).

Support for our campaign

Our joint union campaign on pay and funding is getting stronger and gaining support from parents, governors, local councillors and MPs from all parties.

In December MPs and councillors showed their support for our *Funding Friday* on social media using this image

Using social media for our campaign

The NEU is asking members who use Twitter, or other platforms, to promote our campaign using #schoolcuts #handsup and #enoughisEnough.

Please follow and retweet @NEUUnion.

NOT GOT YOUR BALLOT FORM?

- The NEU ballot is being conducted on line and members have been sent emails and text messages with a link to the ballot form.
- The emails had the subject title “*your vote is inside*”
- In order to vote securely, members are being allocated a unique ID number.

If you have not received an email or text enabling you to vote you can request one from

<https://neu.org.uk/ballot enquiries#ballotform>

A Union that votes together....

NEU members are getting together to discuss the campaign, and ballot, and then voting together – The Ballot ends on 18th January. Meet this week
