FEBRUARY 2015

Further to popular demand from members across the borough, Enfield NUT were delighted to have Julie Davies, Secretary of the Haringey NUT, as their guest speaker at the meeting held on 29th January.

Julie has been suspended by Haringey Council for over eight months and her case is central to the question of unions being allowed to democratically elect their own officers and the scandal of politically motivated attacks on trade union officials across the UK who are fighting hard to protect the members they represent.

Julie is being supported with her case by senior officials in the NUT and Enfield NUT fully backs her case.

## Your union needs you!

Do you have a spare hour or two on any Saturday during March or April 2015? If so, why not come along and lend a hand at one of the Steet Stalls we will be holding on those Saturdays in the run up to the crucial General Election on May 7th which the NUT feels is a make or break point for education and the teaching profession as a whole.

We will also be meeting our MPs and candidates for Edmonton, Enfield Southgate and Enfield North during March to make the case for the Manifesto For Education and to seek their support for it.

If you can help with either of these things, drop us an email at: [office@enfieldnut.org.uk](mailto:office@enfieldnut.org.uk)

## REP TRAINING

The NUT has been improving its training offer for School Reps. We are delighted to be able to announce a full 3 day Foundation Level training course here in the borough on June 24th, 25th and 26th. The course covers a whole host of topics and is designed to empower Reps at school level to best serve members and reflects the investment the NUT is putting into ensuring our officers and Reps are as well trained as possible. Places are being offered on a first come first served basis. If you are interested in signing up for a place which is completely free and includes lunch and refreshments each day, email us on: [office@enfieldnut.org.uk](mailto:office@enfieldnut.org.uk)
