

# ENFIELD NUT GENERAL MEETING

Vadi Restaurant, Green Lanes, Palmers Green, N13 5XG  
Wednesday 8th July 2015 5pm – 7pm

## GUEST SPEAKER

### GERRY KELLY

#### WALTHAM FOREST NUT

#### The Campaign for Inner London Funding

Gerry Kelly of Waltham Forest NUT will be speaking on Inner London Funding and Pay.

This is a crucial issue for boroughs such as Enfield, Waltham Forest, Newham and Haringey which struggle with Inner London characteristics and deprivation yet only receive Outer London funding. Councils and schools are also having their budgets slashed even further with devastating consequences.

The NUT and other teaching unions also believe that Outer London teachers pay is unfair, especially when wages have been frozen at below-inflation rates, rent and bills in London are soaring and teachers are finding it hard to make ends meet.
