SPECIAL EDITION

JANUARY 2015

General Meeting (& Reps Briefing)

Wednesday 28th January 2014 5-6.30pm
The Dugdale Centre, Thomas Hardy House, London Road, EN2 6ES

GUEST SPEAKER JULIE DAVIES

**SECRETARY OF HARINGEY NUT
AND FORMER NATIONAL EXECUTIVE MEMBER FOR OUTER LONDON**

Julie Davies has been suspended since July 17th. The council have suspended her following four 'allegations'. These have now been referred to openly in court where the union sought, unsuccessfully, to challenge the council's power to suspend Julie. The charges are in therefore in the public domain. They are simply these:

- She is accused of sending a rude email to local councillor in early June after food waste was not collected from her street;
- She is accused of tweeting a link to a local newspaper

Julie's suspension is not related to any real disciplinary offences but is actually a device to discredit her and force her out of her job. Managers and employers will never have the right to choose who represents union members. The union is currently backing a wave of strikes in schools and is pursuing a trade union victimisation claim against the council.

Tea and Coffee provided, Good bus links and parking nearby. General Meetings are intended as a vital way for members, including Reps to get updated on important developments. We strongly encourage every school to send at least one member as we regularly get casework enquiries on things we have updated and advised members on at the General Meetings.
